Let's go over what is included on a job post page!

The screenshot shows a job post for 'Assistant Plant Manager' at AgPloyment.com, LLC. The page includes a search bar at the top, a navigation menu, and a main content area with the following sections:

- Job Title:** Assistant Plant Manager
- Employer:** AgPloyment.com, LLC, Columbia, MD, United States, Full Time, Salary: \$600,000, Reference: ABC-123
- Duties & Responsibilities:** Manage daily production on multiple shifts, ensuring compliance with company policy, quality assurance, regulations established by FDA, EPA, and OSHA and following GMP's. Responsible for providing leadership, managing, hiring, training, coaching and developing production and maintenance personnel and Safety Coordinator. Responsible for safety, promoting safe behavior, implementing safety programs and oversight of training requirements. Responsible for the execution of approved capital and maintenance projects. Responsible for maintaining and updating production SOPs. (Responsible for managing all production related expenses (overhaul, equipment repairs and maintenance, and supplies). Will develop an annual operation plan to include productivity and efficiency improvements, automation and quality advancements and employee development.
- Experience:** 3-5 years of agricultural manufacturing, equipment maintenance and supervisory experience.
- Education:** Bachelor's degree in agriculture
- Preferred Qualifications:** Bachelor's degree in agriculture and 5+ years of agricultural manufacturing, equipment maintenance and supervisory experience.
- Additional Application Instructions:** Submit your resume and cover letter

There are 'APPLY TO THIS JOB' buttons at the top right and bottom left of the main content area. A 'Similar Jobs' sidebar on the right lists 'District Sales Manager' and 'Precision Ag Specialist'.

To the left you will see an example job post page for “Assistant Plant Manager”

The main box includes:

- Job title
- Employer (could be a for-profit business, a non-profit/association, a recruiting firm, an educational institution, or other AgPloyer)
- Location
- Salary
- Reference #
- Duties & Responsibilities
- Experience required
- Education required
- Preferred Qualifications
- Description of the position
- Additional Application Instructions
- And the “Apply” button

The screenshot shows a 'Sign up for Job Alerts' form with fields for 'Email Address' and 'Keywords'. Below the form is a 'CREATE ALERT' button. Below the form is a list of 'Latest Jobs' with the following entries:

- Assistant Plant Manager** - AgPloyment.com, LLC, Columbia, MD, United States, Apr 20
- Precision Ag Specialist** - AgPloyment.com, LLC, Columbia, MD, United States, Apr 20
- Director of Biotechnology** - Btg Ag Corp, St. Louis, MO, United States, Apr 09
- Formulations Specialist** - Btg Ag Corp, Hershey, PA 17033, USA, Apr 09
- Commercial Dairy Specialist** - Green Pastures, Inc, Madison, WI, United States, Apr 09

At the bottom of the page, there is a copyright notice: 'Copyright © AgPloyment.com, LLC 2016-2017' and a footer with links for 'Jobs', 'AgPloyers', 'AgPloyers', 'Company', 'More', 'Help', 'Post a Job', 'Privacy Policy', 'Terms & Conditions'.

To the right of the main box you will see another “Apply” button, links to share this job on social media, and some related jobs that users may also be interested in.

Below the main box is another signup form for Email Job Alerts (we **highly** recommend job seekers take advantage of this great tool).

At the bottom of the job post page is a box which displays more of the latest jobs on the job board, similar to the list on the job board home page.

Now that you know how to navigate the site, we'll move on to creating an account.
